Figure 1 illustrates the concept of place value and decimal notation. It shows two sets of number lines. The left set shows a number line from 0 to 40 with increments of 10, and a smaller number line from 0 to 4 with increments of 1. The right set shows a number line from 0 to 100 with increments of 10, and a smaller number line from 0 to 10 with increments of 1. The number lines are labeled with their respective values and increments.
